**CHIEF ADMINISTRATIVE LAW JUDGE RULING  
ON AUTOMATIC REASSIGNMENT**

The Commission's Rules of Practice and Procedure, Rules 63.1-63.10 specify the exclusive means for a party to a proceeding to request reassignment of that proceeding to another Administrative Law Judge (ALJ). These rules provide for three forms of Petition for Reassignment: automatic (Rule 63.2), unlimited peremptory (Rule 63.3), and cause (Rule 63.4). The first two, automatic and peremptory, are only available in proceedings categorized as adjudicatory or ratesetting.

On October 3, 2005, The Utility Reform Network (TURN) filed a Petition for reassignment of this proceeding to another ALJ. This Petition was filed under Rule 63.2, and thereby seeks automatic reassignment. As provided in Rule 63.2(b), I am issuing a ruling on this Petition.

A properly supported Petition seeking automatic reassignment can only be filed by a party or a person or entity declaring the intention in good faith to become a party to a ratesetting proceeding. A party is entitled to petition only once for automatic reassignment. Further, no more than two automatic reassignments per ratesetting proceeding are permitted (Rule 63.2(b)). Finally, any such petition must be filed timely.

### **Timely Filed**

The Rules require this petition to be filed no later than 10 days after the date of the notice of the assignment. In this proceeding, notice of the assignment occurred for purposes of Rule 63.2 on September 27, 2005. The assignment of the matter appeared in the Commission's Daily Calendar on September 27, after the Commission preliminarily categorized this matter as a ratesetting proceeding during its September 22, 2005 business meeting, pursuant to Resolution ALJ-176-3159. Since the Petition was filed on October 3, 2005, it was timely filed.

### **Available Procedure**

TURN is a party to this proceeding. This is the first petition filed in this proceeding so the procedure is available. This proceeding is categorized as "ratesetting." Automatic reassignment is a form of petition for reassignment appropriate to the category of this proceeding.

### **Properly Supported**

The Rules require that a petition be supported by a declaration under penalty of perjury. This Petition is so supported by Petitioner.

Therefore, **IT IS RULED** that the Petition for Automatic Reassignment, filed by TURN is granted. This proceeding is reassigned to Administrative Law Judge Jeffrey P. O'Donnell.
